SITUATION

Current Situation:	Fire perimeter is holding, crews are improving direct and indirect containment lines, mopping up, as Fire Suppression Repair is underway. Please be aware of emergency equipment and personnel working in the area. Use caution when driving in and around these areas. As residents repopulate fire effected areas it is important to be aware of overhead tree hazards. Five years of drought, insect damage and recent fire damage have increasingly weakened trees and their branches. For more information on preparing for a wildfires- Visit www.readyforwildfire.org
Evacuation Warning:	All evacuation warnings have been lifted
